

28th February 2018

Dear parents,

Thank you to those of you who persevered in very slow traffic today to get your son/daughter to school. Many staff and pupils had very long and slow journeys which may well be repeated tomorrow.

We have informed pupils that we have decided to cancel any after school clubs this week and reschedule detentions so that all can set off home in daylight.

In addition, we have decided to allow the pupils to wear non uniform tomorrow and Friday on the assumption that the clothes worn will be sensible and warm with suitable footwear.

With ever changing weather reports, it remains difficult to know what effect any snow may have on the school but, as we mentioned yesterday, we will notify you as early as we can via Callparent and the website should it be necessary, on safety grounds, to close the school. Unless circumstances change, we anticipate the school will be open as usual tomorrow.

If you live in a more rural area and consider the roads are too treacherous, please contact the absence line to let us know your child will not be attending. It is important that we can account for all pupils.

The coach companies will contact us early in the morning should they experience problems in picking up children; we will do our best to update the families affected.

Many thanks for your support.

Yours sincerely,

D J Blow
Headteacher
